**Sub: Tie –Up with the The Ingram Content Group**

Dear Sir,

We would like to inform you that Repro India Limited has tied up with The Ingram Content Group to become a part of the Ingram Content Group's Global Connect program

Aggregation on multiple platforms is positively disrupting sacrosanct practices , industry by industry. Technology is being used to bring about paradigm shifts , bringing in never before opportunities and never before efficiencies. Efficiencies that benefit all the constituents in the value chain of the industry, from the owners/creators/manufacturers to the final consumer/customer. The transportation industry, Cabs, Food, Retail, Advertising. Its happening all around us .

Even traditional industries like Publishing will now start benefitting from this disruption and Content Aggregation to real effective dissemination is going to change the way people buy & read books. Publishers will benefit from technology , enabling zero warehousing, zero inventory, zero obsolescence , efficient logistics etc . and content creators will be able to reach readers all over the world with physical and digital books, at the right price and within just days.

In fact Books will now be produced , AFTER a reader buys it !

Pioneers in Content Aggregation ,Repro India Limited , is now poised to bring these revolutionary changes , to the book publishing industry and to this end Repro has entered in to a unique tie up with one of the world leading players : The Ingram Content Group.

**ABOUT REPRO INDIA LIMITED :**

Repro India, as a Content Aggregator, bridges the miles between content owners (Publishers) and their end customer. Repro's clients who are publishers all over the world, own content which requires to be delivered to their customers – who are students or readers. These physical books or e-books need to be delivered on any media (book, computers, tablets or mobiles). Repro India bridges this requirement by producing and delivering the books in the required time, at the required price, anywhere in the world to students or readers.

Repro offers services which range from Content Designing to Digital Warehousing - from Content Adaptation to Multimedia Enhancements and from producing millions of books for students - to just One Book on Demand for the e-Commerce /e-tailers' customer. Repro has a presence through India, Africa, US and UK and has been partnering with publishers all over the world for over 2 decades, often pioneering unique solutions required in the Industry.
